Eric, I am on track to drop by for a few minutes on my way to Fords site near your office.

Can you confirm you exact location? I will be there at 11 - 11:15 and just wanted to stop by for a few minutes.

Also are you aware if anyone from your office is attending the WM show in AZ on March 5 - 9th this year?

Mike Feriola has attended in the past.

Hi Tim. We are doing well here. No real issues with weather. It has been mild considering how it could be. You may stop when you are in the area. I have a phone conference Wed around 1 PM. Other than that, I am free.

Eric, hope you are doing well with this snow and ice we have had recently.

I will be traveling Wed this week in your area. Any interest in having me stop by at ~ 11 AM Wed ?

Subject: NFB Site: Area 5 Disposal Proposal

Good Afternoon:

We received a majority of our final manifests and CD. In organizing we found that we have a manifest from another site, USEPA Region 04/ Guilford Plating (dated 01/12/2017-01/13/2017). I am not sure if Chris Tripp is an EPA representative. Please let me know what I should do with this specific manifest.
